**REQUEST FOR CERTIFICATE OF CORRECTION  
OF OFFICE MISTAKE  
(35 U.S.C. §254, 37 CFR §1.322)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
Attn: Certificate of Correction

**Certificate  
JUN 18 2009  
of Correction**

Dear Sir:

Attached is Form PTO-1050 (Certificate of Correction) at least one copy of which is suitable for printing. The errors together with the exact page and line number where the errors are shown correctly in the application file are as follows:

**IN THE CLAIMS:**

Column 22, lines 45-48

"wherein a quantity of the substitute item to be substituted for a quantity of the identified ordered item is not one for one, and is dependent on applying the ratio rule to the quantity of the identified ordered item,"

should be

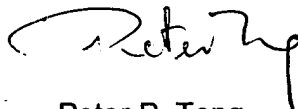

--wherein a quantity of the alternate merchandise to be substituted for a quantity of the ordered merchandise that has been identified as being oversold, is not one for one, and

is dependent on applying the ratio rule to the quantity of the identified ordered merchandise.--.

This appears correctly on page 2 of the Supplemental Examiner's Amendment mailed April 25, 2007.

It is noted that the above-identified errors were printing errors that apparently occurred during the printing process. Accordingly, it is believed that no fees are due in connection with the filing of this Request for Certificate of Correction. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 50-3874 (Order No. WVANP013).

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Peter P. Tong", with a stylized flourish at the end.

### **SUPPLEMENTAL EXAMINER'S AMENDMENT**

The letter (Statement of the Substance of an Interview and other Miscellaneous information) filed on March 8, 2007 is being considered filed under 37 CFR 1.312 and has been entered.

The Examiner notes that the amendment to claim 34 filed on March 8, 2007 falls within the guidelines of 37 CFR 1.312.

In the Examiner's Amendment on page 4 of the Notice of Allowability mailed on February 27, 2007, the Examiner made lines 22-24 of claim 34 (page 4) to read as follows:

--wherein a quantity of the substitute item to be substituted for a quantity of the identified ordered item is not one for one, and is dependent on applying the ratio rule to the quantity of the identified ordered item, --.

The Examiner's Amendment unintentionally copied the wrong recitation of the claim that needed to be amended. Therefore in claim 34, lines 22-24 should read as follows:

--wherein a quantity of the alternate merchandise to be substituted for a quantity of the ordered merchandise that has been identified as being oversold, is not one for one, and is dependent on applying the ratio rule to the quantity of the identified ordered merchandise,-- .
